

Supplier List

The Apple Supplier List details our top 200 suppliers based on spend, and outlines the supplier facilities which provide services to our supply chain.

The Apple Supplier List represents 98 percent of procurement expenditures for materials, manufacturing, and assembly of our products worldwide for fiscal year 2018.

Every year, we improve upon the progress we make to protect the people in our supply chain and the planet. Progress is made possible by deep partnership with our suppliers and by setting high standards suppliers must meet.
